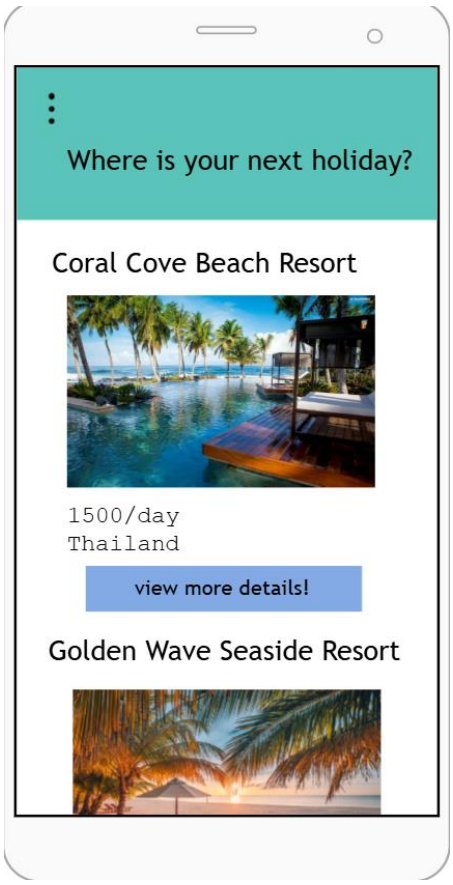
- Get Started button (navigates to home screen)

Screen 2: Home / Resort Listing Page

Displays available resorts.

Elements:
- Menu icon (⋮)
- Resort cards with image, name, price, location
- View more details button



Screen 3: Resort Details Page

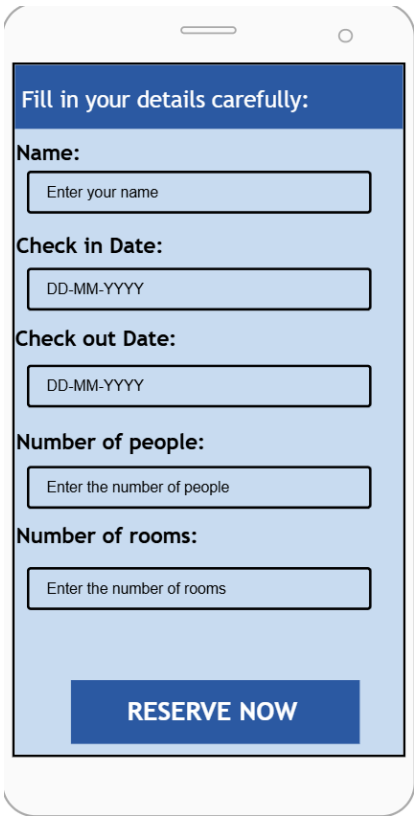
Provides detailed information about the resort.

Elements:
- Resort image
- Description (location, features)
- Book Now button

Screen 4: Booking Form Page

Allows user to enter booking details.

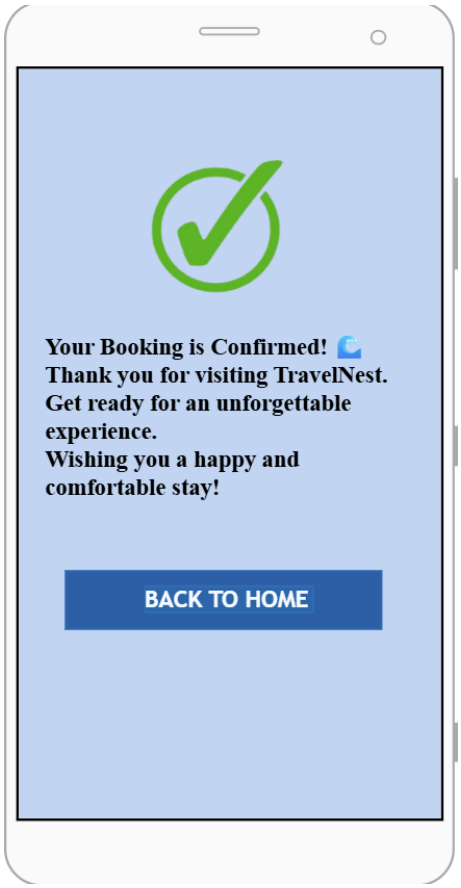
Fields:
- Name
- Check-in Date
- Check-out Date
- Number of People
- Number of Rooms
- Reserve Now button



Screen 5: Booking Confirmation Page

Displays booking success.

Elements:
- Success icon (✓)
- Confirmation message
- Thank you note
- Back to Home button



Overall Evaluation

The app has a simple and user-friendly interface.

Strengths:
- Easy navigation
- Clean design
- Logical flow

Improvements:
- Add date picker
- Add validation
- Add loading indicator
